Cable News CHINESE FIGHT FIERCE BATTLE

(Associated Press Cable.) HONGKONG, Apr. 30.—Desperate fighting is reported from Canton, with a partial victory announced for the revolutionists, the Chinese victory of the province and his family taking refuge on a gunboat. The leader of the uprising against the Manchu government is Wu Sun, who was educated in Japan, but who recently returned to Canton Province from Singapore, where a number of revolutionists have their headquarters. The United States gunboat Wilmington has been ordered to Shantung, to the river, to protect American citizens and property.

FAMINE IN MOROCCO. FEZ, Morocco, Apr. 30.—Famine now threatens in this country, and the crops are short. Disorders in many of the districts are partly responsible for the situation, and the land is overrun with bandits.

COMMISSIONERS OF PEACE ARE NAMED EL PASO, Apr. 29.—The Mexican insurgents here and across the line are convinced that peace is in sight and at a general gathering near Juarez today named Francisco Vasquez, General Gomez, the elder Madero, father of the revolutionary leader; Jose Pino and General Suarez as the peace commissioners to arrange with the Mexican government for terms of peace. Although reports of slight skirmishes continue to come in from Chihuahua and Sonora, they are unimportant, and no serious fighting has taken place near the boundary since the armistice was proposed.

Not for Peace. MEXICO CITY, Apr. 30.—It is announced here that the government has refused to enter into an armistice with the rebel generals Morelos and Guerrero. It is believed they will not be included in any terms of peace which may be made with General Madero.

MAINE CITY SUFFERS FROM SEVERE FIRE BANGOR, Apr. 29.—A large portion of this city is a mass of smoking ruins, due to a fire which swept the business district and burned a mile of the residential part of the city. It is the most disastrous fire which has ever visited the New England States since the great Boston fire.

The fire originated in a hay shed Saturday night, and burned during the greater part of today. A gale of wind was blowing at the time and the fire department was unable to cope with the conflagration. While a number of citizens and firemen were more or less injured, only one death from the flames is reported at this time. By the hardest kind of work on the part of the department, aided by a slight change of wind, the City Hall was saved.

The monetary loss is estimated at \$5,000,000, and some of the insurance companies are said to be hard hit, although the greater loss will fall on the residents and business men of this city.

NEUTRALITY LAWS ARE VIOLATED LOS ANGELES, Apr. 30.—Francisco Salinas, the commander-in-chief of the Lower California rebels, was arrested here today, charged with a violation of the neutrality laws.

He was here, it is claimed, recruiting a Socialist force to cross the border and join the revolutionists, and also arranging for the forwarding of ammunition and army supplies.

RESUMED HOSTILITIES. PRESIDIO, Tex., Apr. 30.—Word has been received here that the terms of the armistice in Chihuahua have been broken by the insurgents, who yesterday commenced an assault against Ojinaga, near the capital of the State.

FRAME-UP CHARGED IN THE TIMES CASE INDIANAPOLIS, Apr. 30.—At a conference of prominent labor leaders here today, it was decided that the executive committee of the American Federation of Labor shall handle the defense fund being raised in behalf of the union men charged with blowing up the Los Angeles Times building on October 1 last.

President Gompers of the A. F. of L. now asserts that the arrests of the union men taken to Los Angeles was a frame-up to bring discredit upon organized labor.

The work of collecting the immense defense fund by levying an assessment upon the members of the federation is proceeding rapidly.

ITALIAN EXHIBITION IS NOW OPEN TURIN, Italy, Apr. 30.—The international art and historical exhibition here, planned in connection with the fiftieth anniversary of the proclamation of Italian Unity, was formally opened today by King Victor Emmanuel.

The United States has a generous display, in charge of Special Commissioner Frank B. Loomis.

The exposition will be kept open until October. Several hundred thousand people attended the exposition opening ceremony.

NO CHANGE IN THE JAPANESE CABINET TOKIO, Apr. 30.—Premier Katsura announces that no change in the Japanese cabinet is contemplated. The opposition in the Diet has lost strength and the government has been upheld in its financial policy, as given out by the premier recently.
